Work experience

07.2023 – 12.2023

German teacher – Brazil

By interacting with my students, I developed communication skills, time management, empathy and creativity.

11.2020 – 12.2022

Practice assistant – Switzerland

I became more flexible, open to new ideas, more confident and resilient. I learned to work in a team and improved my communication skills in foreign languages.

07.2018 – 06.2019

General dentist – Brazil

I learned to work independently and under pressure. I acquired the skills of organization, planning and attention to detail. I also learned how to deal with clients, identifying their needs and proposing appropriate and viable solutions.
